

**Batrus Hollweg, Taleo form strategic partnership**

October 25, 2004

---

DALLAS -- Talent-assessment and development company Batrus Hollweg International has partnered with Taleo Corp., the San Francisco-based supplier of talent-management software solutions. The two firms have formed a strategic partnership to offer a comprehensive talent-management solution for foodservice operators. The partnership combines BHI's assessment expertise and Taleo's enterprise-talent-management systems to provide a solution for optimizing the foodservice talent lifecycle and address staffing needs of foodservice operators.
