11/08/2004

Martin Morel has recently been promoted to CTO at Taleo Corporation, a leading provider of staffing management services and solutions for large organizations. And former company director of production and ASP technology Robert Michon was also named VP of IT services.

In addition, Taleo announced the promotion of Scott Pitt from finance director to VP of finance and Josh Faddis from legal director to VP and corporate counsel. Taleo was recently recognized as the 11th fastest growing technology company in North America in the Deloitte Fast 500, and the 7th fastest growing technology company in Silicon Valley in the Deloitte Fast 50, for its industry-leading five-year growth rate.
